Other Changes

Evergreen District (BC)

- xx.EVERGREEN.1 has been changed to BC.EVERGREENx.1. I have heard votes for both Vancouver Island and Lougheed areas! If anyone knows for sure (i.e., got the patch from the district), please let me know.

Fundy View Area (NS)

- Added a photo, finally. However, it seems that there might still be another patch, as the Area was talking about a new patch as of 2004, and this one is older.

Northern Lights District (ON -> SK)

- ON.NORTHERNLIGHTS1.1, which was listed as Blue Lakes Division, Silver Birch Area, ON, is apparently not from that division/area, but rather from Northern Panorama Division, Saskatoon Area. It's now SK.NORTHERNLIGHTS.1. ON.NORTHERNLIGHTS2.1 and 2.2 are now NORTHERNLIGHTS.1 and .2.

Northern Sunrise District (AB)

- This one finally got a real photo too!

Hawthorne Division (BC)

- Marked extinct

Sackville District (NB)

- Swapped versions 1 and 2 such that SACKVILLE.1 has no trefoil, and SACKVILLE.2 does

St. Lawrence Area (ON)

- Marked extinct (has been extinct for a long time but I forgot to add that in the header)

Stratford District (ON)

- Extinct; is now called Stratford on the Avon and Little Thames District (now there's a mouthful!)

Sugarbush District (ON)

- Swapped the order of SUGARBUSH.2 and .3

Tantramarsh Division (NB)

- Extinct (went extinct along with all NB divisions; I just forgot to label it)

Wapiti Division (AB)

- Correction: belongs to Peace River Area (AB), not Parkland Area.
