#### **Arnprior District (ON)**

- Moved from regular districts to special patches, as it's actually an anniversary patch. ARNPRIOR.1 is now ARNPRIOR.A50.

#### **Big Sky District (BC)**

- Added the division: Hart Division.

#### **Black Sands Division (YT)**

- I'm not convinced the Yukon has gone from divisions to districts, so I've removed the "extinct" indication

#### **Broughton Strait (BC)**

- NOT Extinct.

#### **Central Division (ON)**

- Found a photo!

#### **Grey Mountain Division (YT)**

- I'm not convinced the Yukon has gone from divisions to districts, so I've removed the "extinct" indication

#### **Heritage District (AB)**

- Added the division: Betty Martin Division.

#### **Horizon District (AB)**

- Added the division: Rocky Mountain Division.

#### **Maplewood District (ON)**

- We think the mystery patch is Ottawa area, so ON.MAPLEWOODx.1 is now MAPLEWOOD3.1.

#### **Millpond District (ON)**

- Corrected the inconsistency between index and catalogue – there is now .1a and .1b rather than .1 and .2.

#### **Northern Lights District (ON)**

- Corrected the index – should be NORTHERNLIGHTS.1 and .2, not NORTHERNLIGHTS2.1 and .2.

#### **Pine Acres Division (AB)**

- Incorrectly marked as Peace River Area. At the time this patch was issued, the division reported straight to the province – it was not part of an area. It covered an area which is now part of Michener Area.

**Rosewood District (ON)**

- Is probably from White Oaks area rather than Ottawa area (spot the acorn on the charm bracelet...)

**Shooting Star District (SK)**

- I've been told it's in Morning Star Division, not Evening Star Division. Please confirm?

**Silverbirch Division (AB)**

- NOT extinct.

**Superior Division (ON)**

- Corrected index listing (it was already correct in the catalogue itself) – had 1, 1, 2 rather than 1, 2, 3.

**Waterloo Division (ON)**

- Corrected index listing (had 1, 1a, and 1b instead of 1, 2a, 2b). Correct in the catalogue itself.

**Weyburn District (SK)**

- Added the division: Rainbow Division.

**Windsor [Area] (ON)**

- There was a Windsor area, so the “Windsor” patches have been entered under the Windsor area heading, with a proviso, since the second patch was issued after Windsor area was already extinct. It's probably given to guides within the city of Windsor, regardless of div/dist. Anyone with more info, it would be very welcome!

**Woodwyn District (BC)**

- Corrected the catalogue, which had them both as .1. They're now .1 and .2.
